

Welcome to CBMM

FOGG'S LANDING

- 1 **Welcome Center** Start your visit with an orientation experience by exploring stories of the Bay's people and places in the *Water Lines* exhibition.
- 2 **Heirloom Garden & Log House** Explore a garden featuring plants and herbs grown in the region across five centuries, adjacent to a typical tenant farmer house of the 1800s.
- 3 **Mitchell House** Engage in history touring a home where Frederick Douglass' sister Eliza Bailey Mitchell once lived.
- 4 **Changing Exhibitions** Enjoy one of our special exhibitions in this two-level gallery.
- 5 **Van Lennep Auditorium (VLA)** See highlights from CBMM's nameboard and trailboard collection in our community exhibition gallery and program and event space.

LIVING SHORELINE

- 6 **Katie G.** Children can explore this miniature deadrise workboat.
- 7 **Oystering on the Chesapeake** Climb aboard a real skipjack and step into the world of a Chesapeake Bay waterman.
- 8 **Waterman's Wharf** Pull up an eel pot, catch some blue crabs, or tong for oysters.

NAVY POINT

- 9 **Fishing Shanty** Floating shanty cabins were used by Bay watermen while fishing away from home.
- 10 **Small Boat Shed** Discover the re-created interior of a crab picking plant, and a collection of boats once used in fisheries.
- 11 **At Play on the Bay (APOB)** Explore how the Bay has changed over the last 100 years from a place of work to a place of play.
- 12 **Thor** Climb aboard and play in the pilot house of the 1912 buyboat.
- 13 **Floating Fleet** The largest collection of Chesapeake Bay watercraft in the world. (Boats are moved around the harbor in winter.)
- 14 **Hooper Strait Lighthouse** Experience the life of a lighthouse keeper and climb to the top for the best view on CBMM's campus.
- 15 **Point Lookout Bell Tower** Point Lookout Lighthouse and its accompanying bell tower once guided vessels into the Potomac River.
- 16 **Tolchester Beach Bandstand** Formerly located at one of the Bay's most popular summer resorts, Tolchester Beach.
- 17 **Bay History** Examine the role the Chesapeake Bay has played in the nation's history.
- 18 **Waterfowling** Learn why the Bay attracts flocks of migrating birds, and how they inspired sport, industry, and art.

SHIPYARD

- 19 **Shipyard Projects** Watch and interact with our shipwrights as they restore and build Chesapeake Bay boats in our working Shipyard. Additional work takes place at the Corn Crib.

AMENITIES KEY:

ADDITIONAL INFORMATION

Campus walkways are largely boardwalk or gravel. Most buildings are accessible by ramps and elevators, with the exception of the Hooper Strait Lighthouse, Shipyard observation balcony, and lower level of *Oystering on the Chesapeake*. The Shipyard includes uneven terrain. Please watch your step as you explore the grounds.

Leashed pets are welcome, but not permitted in exhibition buildings or during special events, with the exception of service animals. Cleanup bags and water are available.

CBMM is a smoke-free campus.
