Thanks to you...

Your contributions are an investment in the future of CBMM and the communities we serve. With your support, we can continue our critical work of:

- Expanding upon our storytelling skills with two new exhibitions annually.
- Passing on the tradition and skills of a working shipyard to the next generation.
- Offering additional educational programming with increased accessibility.
- Funding our endowment to ensure the sustainability of all CBMM's initiatives... and more!

Be sure to visit our newest Rising Tide student-built vessel, *Pickle*, by the Registration table. This St. Michaels scow will be on display and staffed by one of our volunteer instructors, Mr. Don. Visit the scow and Mr. Don to learn more about our Rising Tide program, youth projects, and community initiatives.

QR Codes, donation forms, and text-to-give information is available for any guests who wish to make a direct donation.
