Chesapeake Bay Maritime Museum
guests are invited to watch the
Model Guild's model skipjack races
on select dates each year.

Races take place along Fogg's Cove
from 11am–1pm.

2023 Sailing Dates

May 9 & 23

June 6 & 20

July 11 & 25

Aug. 8 & 22

Sept. 12 & 26

Oct. 10 & 24

Nov. 7 & 21

After the races are over, the course
buoys will be left in place for CBMM
members and guests to sail their
R/C boats.

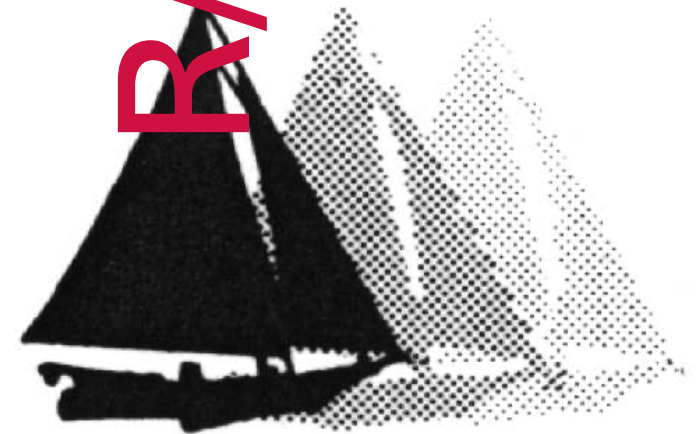

The Chesapeake Bay Maritime Museum
is a non-profit educational organization
dedicated to preserving and exploring
the history, environment, and culture of
the entire Chesapeake Bay region, and
making this resource available to all.

Serving more than 80,000 guests each
year, the museum's campus includes a
floating fleet of historic boats and 12
exhibition buildings, situated on 18
waterfront acres along the Miles River
and St. Michaels' harbor.

For more information,
visit www.cbmm.org.

R/C Skipjacks

**Model
Guild**
of the

Model Guild of the Chesapeake Bay Maritime Museum

Ever think about sailing a skipjack?

Join in the fun. A fleet of radio-controlled skipjacks built by club members races on summer Tuesdays at CBMM's waterfront, usually in front of the Steamboat Gallery along Fogg's Cove.

The Chesapeake Bay skipjack, also called a two-sail *bateaux* by the watermen who sail them, were expected to yield a return on investment. They are a simply constructed vessel, sail powered, varying from 38 feet to 48 feet in length.

Built for the oyster business at the beginning of the twentieth century, they were a cost effective working boat mainly employed in the purpose of dredging of oysters. This is the radio-controlled boat raced by the Model Guild of the Chesapeake Bay Maritime Museum in St. Michaels, Md.

The appearance of the boat is easily recognizable as a Chesapeake Bay Skipjack with its low freeboard, steeply raked mast, shallow draft and hard chine hull. The model is scratch built from plans sold by the club.

All dimensions shown on the "R/C Model Skipjack, January 1980, Pepper Langley Approved" plans are to be adhered to unless specifically allowed by the rules of the club.

The Saint Michaels Model Boat Club was formed in January 1983 with Ray Stewart as Commodore, Bob Roberts as Vice Commodore and Lucretia Kranz as Secretary/Treasurer. The name was later changed to The Model Guild of the Chesapeake Bay Maritime Museum.

You are invited to come visit us. We look forward to handing you a transmitter and showing you what fun it is to sail a boat by radio-control.

To become a member of the Model Guild, one must be a member of the Chesapeake Bay Maritime Museum.

Club membership can be arranged by contacting:

*Gary Nylander, Commodore
P.O. Box 448
St. Michaels, MD 21663
410-310-0929
nylandergary755@gmail.com*

Contact the Chesapeake Bay Maritime Museum at 410-745-2916 or visit cbmm.org/memberships to learn about CBMM membership.

Construction plans and instruction are available in CBMM's Museum Store as well as from the club. Contact the Commodore for keels, additional construction materials, and instructions.

*A fleet of radio-controlled skipjacks built
by club members race on CBMM's
waterfront along Fogg's Cove.
Check the back of this brochure for
our 2023 schedule.*
